## Maths Evening

Sally Barker, maths specialist, will lead an information evening for parents on Weds 3 February at 7.30pm. All welcome!

## Friends' meeting

The Wroxham Friends are a vital part of our school community. We are meeting in school on Monday 25 January at 7.30pm. Please come and join us!

## Lunch arrangements

We are trialling new timings for lunches from today as we are keen to ensure that the dining experience for every child is of high quality. We hope that the new arrangements will ensure that the children take time to eat their lunch calmly, knowing that they will have plenty of time to play or engage in sports coaching, afterwards.

## Library volunteers

We should like to establish a rota of members from our local community who would be interested in maintaining our lovely school library. If you (or anyone you know in the wider community) are able to help, please let Dame Alison know via the school office.

## Feedback from families

We have opened an online survey for families to provide comments and feedback about our school. We are keen to hear your views as we are always trying to improve our school. You can access the survey here: <https://thewroxham.typeform.com/to/LSlgwP> Thank you to those families who have responded already.

## Parent Governors

Paul Ryan and Rosaria Attanasio are new parent governors. They will be happy to hear from you about any suggestions or concerns that you may have.

## Car parking

We are still waiting to hear whether we have been successful in our bid for funding to make our car park safer. In the meantime, we have allocated several parking permits and will send these home today. Parents and Carers should not park on site without a permit. Thank you for your co-operation. The safety of our children is of the utmost importance to us.
