Anniversary Festival Triumph

A huge vote of thanks to everyone involved in making our 40th Anniversary Music Festival such an amazing event. The Wroxham Friends and our Wroxham Music team created a very special occasion that celebrated all that we love about our exceptional school. Thank you.

National Diving medal for Hugo

Last week Hugo from Year 5 was awarded a bronze medal at the national under 11s ASA Swim for Life competition in Sheffield. This is a massive achievement. Hugo said "I am happy how well I did. I shall be trying for gold next time!" In our Sports Assembly we watched video clips of Hugo's spectacular dives and cheered his expertise. Well done Hugo!

Open Evening

We look forward to welcoming families to school this evening from 6 - 8pm. Children will be able to collect stamps as they visit each classroom and engage with the activities on offer.

Congratulations Year One

Year One invited everyone in school to their fantastic Zoo exhibition yesterday. The quality of the children's work was exceptional and it was lovely to see how proud they all were about their models, writing and creative designs.

Inventions in Year Two

The quality of the children's design and build projects in Year Two is also of a very high standard. Congratulations to all our young inventors. We shall be sending

'Assessment for Learning without Limits' published

A book about our school has been published this week. We are proud to announce that this is already a bestseller and has attracted a lot of attention nationally and internationally. Discounted copies for our school community are on sale from our school office.

Reports feedback

We value feedback from families about the reports that we sent home recently. We are very proud indeed of the excellent achievements of all our children this year.

Library books

Please can all Year 6 children ensure that all library books are returned? We shall be encouraging children to choose new books for summer reading. The local library is also running the popular summer reading challenge. It is very important that we all encourage our children to read for enjoyment.

Lost property

We shall be clearing all cloakrooms and boot boxes before the end of term in order that we can clean the school thoroughly over the summer. Please collect all belongings!

Collect FREE donations for our school with all your online shopping!

All you need to do is register with easyfundraising.org.uk and then visit any of the 3,000 retailers to start shopping. After you have made your purchase, the retailer

photographs of the work in Year One and Year Two to the national Arts and Design Subject Association.

No nuts allowed!

Just a polite reminder that children are not allowed to bring snacks or packed lunch items containing nuts. This is because we have some children in school with a severe nut allergy. Peanuts and peanut butter are particularly dangerous to those with allergies and must be avoided please.

Summer Club

We have some additional spaces for children that have already booked into Summer Club during some afternoon sessions. Please contact the school office if you would like to extend your booking.

For celebration

If you or your child achieves something to be proud of, please let me know so that we can share this with the Wroxham community.

Alison.Peacock@thewroxham.net

End of term arrangements

There will be an assembly to say ‘goodbye’ to Martyn Vandewalle, Stephen Davy, Sophie Gilbert and Sally Goss on **Thursday 21 July** at 10.00am. We shall also be saying goodbye to Molly Spurr. This will be followed by our Year 6 Leavers’ Assembly at 11.00am. School will finish for the year at **12.00pm midday**. There will be no lunch or Kids’ Club on this day. We wish everyone a very happy and restful summer break.

will make a donation to our school at no extra cost whatsoever. Thank you!
