## LOTS OF DISCUSSION ABOUT LEARNING

I hope that you have really enjoyed hearing about how your child is doing at school. We have had nearly all of our Learning Reviews this week and only have some of Year 5 to finish next week. It has been a real privilege for me to be in on all of the Year 5 and 6 reviews, as the children have spoken so positively about their learning and should be very proud of what they have already achieved this year. I have now blogged about the Parent Information Session - see link below - and I have also included a list of the items we were looking for below. Please get in touch to let me know if you can help in any way, as it is really important. Thanks in advance and I hope you all have a great weekend!

## JUST A REMINDER OF UPCOMING DATES

## THINGS WE NEED :-)

Please find below a list of things we could really do with at school. If you have any of them, please either get in touch or just drop them into school. Thank you in advance.

Happyland toys or similar

Lego or other building toys

Remote control cars or similar

Raffle prizes for the school fete

Any useable tech - old Kindles or tablets would be so supportive

A mechanic - we are looking to invest in a minibus, but would love someone to check over any possible purchases

Yoga mats

If your company are buying new laptops - we would always like to hear about what is going spare

Anything else that you think might be useful, we would always rather hear about!

## ACHIEVEMENTS

Well done to our sports teams over the last two weeks! They have been very busy playing fixtures and being complete sports superstars!

If your child achieves something outside of school, please email me and I will include them in the newsletter. [roger.billing@thewroxham.net](mailto:roger.billing@thewroxham.net)

## ADMISSIONS

[Under 11s 2018 leaflets](#) were posted in week commencing 30<sup>th</sup> October 2017 directly to all families of nursery age children in Hertfordshire who should apply for a reception place for September 2018. These will inform parents/carers about how to make an application, provide key dates and give further information about the process.

## #WROXHAMPICS

Just to remind you, after mentioning it at the Information Session, if you are doing anything interesting over the weekend, please remember to tell us about it on Twitter. If you use #wroxhampics in your Tweet, we will see it and can then either use it as a discussion starter in school, or we will retweet it on Twitter.

## CAR PARKING

So... The car park is no longer safe, as a result of the number of parents who are trying to park in it at the start and end of the day. As of Monday, the gates will be shut and only people who have a permit will be allowed in. Myself and Mr Owers will be on the gate, so I would rather not have to turn people away, so please think about parking somewhere else. It is getting more and more dangerous out there and I hope you can understand that we don't want anyone to get hurt.

## AREAS AROUND SCHOOL

If you are a talented artist, or know someone who is, we would like to hear from you. We have a number of areas around school that could do with some painting, maybe based on a particular theme, so that they become more appealing for the children. Please get in contact if you think you might be able to help. Thanks again!

## PUSH TO EXIT!

Just to remind you - when you leave the front entrance at school, there is now a push button on the wooden beam, to the left of the front door - push and you can exit!
