26-01-2018

Hello all,

I hope that you have had a good start to 2018. We have a very short, but busy term ahead and I hope you will be able to join us at some of the events. Next week we will be sharing the dates for Parent Consultations and for our Spring Information Evening.

I am also on the lookout for some volunteers... I would like to start a Steering Group for the development of the school building and land. If you are interested in making the building and surroundings better, please contact me at [roger.billing@thewroxham.net](mailto:roger.billing@thewroxham.net)  
I hope you all have a great weekend and I will see you all on Monday.

If your company are buying new laptops - we would always like to hear about what is going spare

Anything else that you think might be useful, we would always rather hear about!

Thank you for all the kind donations we have received so far - we really appreciate it.

## ACHIEVEMENTS

Well done to Rocco (year 6) for taking care of his family recently while his mum was very unwell. I understand that he did a fantastic job and we are all very proud of him.

If your child achieves something outside of school, please email me and I will include them in the newsletter.

*Thanks to everyone, our Christmas Jumper Day raised £78.14!*

## USEFUL INFO

We received the information below. If you ever get an email from us that you are unsure about, please give us a call.

*The City of London Fraud unit have uncovered a Schools Fraud. Parents are being intercepted and advised the school payment details have changed, offering a discount for paying fees early.*

*Please be sure that you check with any payee and query if payment details have changed. Once this is discovered, it is too late and your money will have gone.*

*This also applies to any other regular transaction and has also happened in house purchase, solicitor fees and the like.*

## #WROXHAMPICS

Just to remind you, if you are doing anything interesting over the weekend, please remember to tell us about it on Twitter. If you use #wroxhampics in your Tweet, we will see it and can then either use it as a discussion starter in school, or we will retweet it on Twitter.

## CAR PARKING

Thank you to the people who have continued to take the closure of the car park so well. As you will see, myself and Mr Owers have been on the gate most mornings and afternoons. If we are not there, that doesn't mean you can sneak in - so please remember, if you don't have a car park permit, please don't come in.

## AREAS AROUND SCHOOL

If you are a talented artist, or know someone who is, we would like to hear from you. We have a number of areas around school that could do with some painting, maybe based on a particular theme, so that they become more appealing for the children. Please get in contact if you think you might be able to help.

Thanks again everyone, have a great weekend!
