END OF ANOTHER WEEK!

I am not quite sure where the weeks are going, however, they are currently very busy. The children have been superstars this week, working exceptionally hard and really trying to do their best. I have been able to see all the children throughout the week and I am working hard to concrete names into my memory - I will get there! The children will be continuing to look at the brain next week, with the introduction of some 'brain breaks'. This is one of the areas we will be explaining further at our Information Evening. Have a great weekend!

ABSENCE FORMS

Please make sure that you fill in the absence forms as much in advance is possible. It makes it much easier for the office to process. Thank you.

ACHIEVEMENTS

Jamie Abernethy (Year 6) was runner-up in the Under 11 Middlesex Squash Junior Closed tournament - well done for a super achievement!

If your child achieves something outside of school, please email me and I will include them in the newsletter.

CAR PARK

We had a very near miss this week, where an adult was nearly hit by a parent reversing out of a space in our car park. I really don't want to have to waste a resource by placing a member of staff on the gate, so please do not use the car park, unless you have secured a pass from the office. Thank you for your help with this, as I would hate to be writing to you to tell you about an accident.

JEANS FOR GENES

Thank you for your support of this very worthwhile cause. We managed to raise over £150, which will make a positive difference to the charity. Thank you.

Please can I just remind you that it is really important to sign your child out of Kids Club when you leave. It just ensures that we provide you with the correct invoice. Thanks in advance.
