

Year 3 Learning Note

Friday 11th January 2019

This week... we were very excited to be back at school. We have spent lots of time exploring atlases as we begin to learn about the United Kingdom. We have looked at identifying three digit numbers on number lines in maths. In English, we practised comprehension skills as well as thinking of questions to ask about our new class story book. We have thought about what makes us unique and special in PSHE.

Reading

Reading for pleasure is very important and we would like you to take the opportunity to read whenever you can. Remember to get you parents to sign your reading records over the weekend if they hear or see you reading.

This week we have been reading:

- The Accidental Prime Minister (class book)
- Can I build another me?

Spellings

Here are your spellings for next week. We are looking at words ending with the suffixes –ness and –ful. You will be tested on Friday morning. We will also be practising these words in class.

1. forgetful
2. hopeful
3. beautiful
4. fitness
5. happiness
6. nastiness

Times Tables

Times tables have already been sent home in your reading records. Keep practising using TTRockstars too!

Next week... We will be beginning to explore information texts in English and also developing our research skills. In maths, we will be ensuring that we can identify and find any three digit number on marked and unmarked number lines. In topic, we will be looking at the Pangea and how the continents and UK were formed. We will be thinking about mindful behaviour in PSHE and we will be cooking on Thursday afternoon.

Have a great weekend,
Mrs Easey and Mrs Kilpatrick
