

Dear Parents,

You may remember last year, the class went on a day trip to the IMAX in Waterloo for a screening of their 'A Tale Unfolds' videos; which they produced as part of a unit of work in their English lessons.

At the beginning of this year, we undertook a similar project and our video 'Ocean Rescue' was professionally filmed by the company who host the film screenings. They have invited us once again to the IMAX to watch our film, alongside a select number of schools who have also won filming days from LitFilmFest.

Unfortunately, the day of the screening this year falls on our Inset day – Monday 17<sup>th</sup> June. As such, we regrettably can't take the class to see the screening of their short film.

However, LitFilmFest have asked us to pass on the details of the screening to you, so that if you would like to attend with your child, that you are able to do so.

The screening is free to attend and will take place on Monday 17<sup>th</sup> June at 12:30. If you would like to attend, then you are requested to please arrive 15 minutes before the screening time.

The address for the IMAX, in Waterloo, is:

Odeon BFI IMAX  
1 Charlie Chaplin Walk,  
South Bank,  
Waterloo,  
London  
SE1 8XR

When you arrive, please simply tell the staff that you are a parent of a child from Wroxham and that you're here for the LitFilmFest screening. If you are attending, LitFilmFest have also requested that you complete the attached permission form, overleaf – please take this with you on the day.

Should you have any questions then please don't hesitate to get in touch with me. Alternatively, you are more than welcome to contact LitFilmFest directly via e-mail: [tim@litfilmfest.com](mailto:tim@litfilmfest.com)

And if you'd just like to see the video without travelling up to the IMAX, then you can do so here: <https://www.youtube.com/watch?v=UolqmrINDjk>

With best wishes,

Mr Ritson
