

Year 3 Learning Note

Friday 12th July 2019

This week... we have written the most amazing newspaper reports in English. Very well done to you all; we were so impressed by the content and presentation. We have learned more about equivalent fractions in maths. In topic, Mrs Kilpatrick and I treated you all to an afternoon in a Victorian school- we hope that you enjoyed this experience . You have also had a lovely afternoon in Year 4 with Mrs Barker, telling her what you would like to know about the Romans.

Reading

Reading for pleasure is very important and we would like you to take the opportunity to read whenever you can. Remember to get you parents to sign your reading records over the weekend if they hear or see you reading.

This week we have been reading:

- Charlie changes into a chicken (Class book)
- What can you stack on the back of a yack?

Spellings

There are no spellings this week.

Times Tables

Times tables have already been sent home in your reading records. Keep practising using TTRockstars too! In class next week, we will be revisiting the **twelve** times tables.

Next week... We can't believe that we have reached the final week of the year- where has the time gone? On Monday, we will be watching the dress rehearsal for the Year 6 play. On Tuesday, we will be enjoying another mastery mind session with our circle groups. We will also be having a Victorian tea party in the afternoon and making some goodies in the morning to serve at the party. **On Tuesday, please bring a bag to put your books and other things from your drawers in.** There will still be a PE session on Wednesday. On Thursday, you can bring in one, non-electronic toy to play with before break. Please make sure that this is labelled and that it is not something that is really precious. We don't want you to be upset if it gets lost or damaged. School finishes at 2pm on Thursday.

Have a fabulous weekend,

Mrs Easey and Mrs Kilpatrick
